APRIL Town Board Meeting 4/14/ 2026

The highway guys are working at our usual spring work, sweeping roads and fixing some plow damage when the weather cooperates .We did have a couple days with some heavy rain and high winds we were dealing with some flooding issues and a couple trees that came down.

We also have been stripping plows,wings and sanders off our trucks hoping that winter is over? I turned in a total of 124 trips this winter to Wayne County for reimbursement, that is on the high side it was a busy winter!

I would like to surplus our 2014 MACK tandem axle and put in spring RTI Auction , it's replacement should be arriving in June or July ? I would also like to surplus 2015 Dodge 5500 small dump with plow and wing and put in auction and replace it sometime later this year ?

THANK YOU ;
