ALL EYES ON YOU

Show Us What You've Got!

Understand the Need: Tell us what problem your business solves.

Know Your Market: Who are your customers, and how will you stand out?

Plan for Profit: Show us how your business will make money.

Spread the Word: Explain how people will learn about what you're selling.

You don't have to start the business—just plan it out! Submit your business plan, including financial projections, and a video of you or your team pitching your idea. Impress the judges and you could walk away with cash prizes!
